Canadian Alternative Investment Forum [CAIF]

Founded in 2011, CAIF is the premier alternative investment industry conference in Canada, connecting active allocators, including UHNW individuals, family offices, wealth managers and institutions, to their peers as well as to innovators, entrepreneurs and investment managers. CAIF offers delegates a full day of panel discussions, presentations and meaningful insights as well significant networking opportunities.

Sponsorship Opportunities

Sponsorship includes exposure to Introduction Capital's deep network of sophisticated allocators, alternative investment professionals, business leaders and entrepreneurs. All sponsor logos with links are included in our multiple CAIF broadcast emails that are sent to over 3,000 investors and industry professionals. The CAIF event guide forms part of Introduction Capital's marketing package for the year following and is widely distributed post-CAIF. The guide, sponsor logos and website links are permanently archived on Introduction Capital's site for visitors to access.

Registration

■ **Early Bird** \$1,895 until December 16, 2025 ■ **Regular** \$2,195 until April 15, 2026

Seats for CAIF are in high demand and of limited availability. Presenters put considerable effort and time into ensuring talks are relevant and of interest. The courtesy of limiting networking to the designated times is appreciated.
